

2022 Kansas Child Support Calculator Updates

All Maintenance releases are accumulative – this means that the update includes the new changes in the current release AND all changes made in previous releases. Ex: MR6 includes all features released in MR 3, 4, &5 as well as MR6.

MR 1 and 2 – released 1/10/2022

- Minor change to the Child Tax Credit portion of the Tax Adjustment worksheet. In the case where the respondent was taking the tax deduction, the wrong party was being given the deduction.
- Minor change to licensing where the 2022 program was not correctly licensing the program in some cases.

MR3 – released 1/19/2022

- Updated the poverty guidelines to the 2022 updated values
