

2023 Kansas Child Support Calculator Updates

All Maintenance releases are accumulative – this means that the update includes the new changes in the current release AND all changes made in previous releases. Ex: MR6 includes all features released in MR 3, 4, &5 as well as MR6.

MR 1– released 1/10/2023

- Minor change to licensing where the 2023 program was not correctly licensing the program in some cases.
- Update a date that the program was inadvertently indicating it was expired.

MR3 – released 1/18/2023

- Updated the poverty guidelines to the 2023 updated values
