

2025 Kansas Child Support Calculator Updates

All Maintenance releases are accumulative – this means that the update includes the new changes in the current release AND all changes made in previous releases. Ex: MR6 includes all features released in MR 3, 4, &5 as well as MR6.

MR 1– released 1/7/2025

- Fixed an issue that prevented the software activation status from carrying over when upgrading to the 2025 version
